

Camping Parco del Gargano

Naturist Sporting Club, Parco del Gargano 71018 Ischitella (FG) Italië

Set your GPS with the destination Vico del Gargano. Once you reach Vico del Gargano, take the road in the direction of Ischitella. You can reach this road, the Via del Risogimento, by going straight at the roundabout in the middle of town. At the next roundabout you should go straight at the roundabout again and drive out of Vico.

At the end of the road, on your left, you will see a fire station, then a big school, and then Autosalon Vico del Gargano. Follow the road and about 300 meters further, on the right-hand side at the corner, you will see a blue sign pointing towards campsite Parco del Gargano. Here you turn right on to a small road with a view of the town to your right. After about 4.5 km, you should see a small road left and up. Here there is also a sign with a direction marker to the campsite. Take the small road, and after about 500 meters you should see the gate to Parco del Gargano.
